 APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source and with the understanding that all of the water herein granted will be returned to the stream at the point designated in the application, free from deleterious matter, and with the further understanding that the proof of beneficial use, when filed, will show the power generated and the amount of water required and used therefor. The applicant shall install a measuring device approved by the State Engineer at both the point of diversion and point of return to insure that the use is nonconsumptive. Accurate measurements of water placed to beneficial use must be kept. The state retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 6.0 cubic feet per second.

Work must be prosecuted with reasonable diligence and be completed on or before October 17, 1987

Proof of completion of work shall be filed before November 17, 1987

Application of water to beneficial use shall be made on or before October 17, 1989

Proof of the application of water to beneficial use shall be filed on or before November 17, 1989

Map in support of proof of beneficial use shall be filed on or before _____

Completion of work filed DEC 18 1987

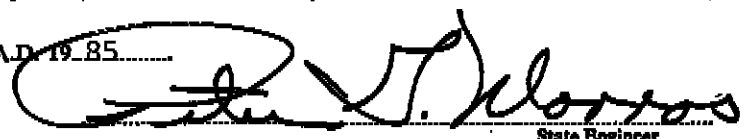

Proof of beneficial use filed FEB 09 1990

Cultural map filed _____

Certificate No. 12547 Issued OCT 05 1990

IN TESTIMONY WHEREOF, I PETER G. MORROS
 State Engineer of Nevada, have hereunto set my hand and the seal of
 my office, this 17th day of October

A.D. 19 85
